### Annual Planning meeting for Year 5

Our team members, Ms. Vivian Otti and Mr. Bassey Offiong, participated in a planning meeting organized by ActionAid Nigeria for the Year 5 project implementation in Abuja.

The meeting focused on sharing lessons from past experiences to enhance the implementation of future projects. It created an opportunity for learning on coordination, communication, and teamwork.

### Training workshop for women in artisanal mining on Advocacy and policy influencing in Osun State

We conducted a workshop to train women in artisanal mining in Osun state on advocacy and policy influencing. The training focused on empowering them to advocate for their rights, influence policies and enhance their communication, lobbying and negotiation skills.

Project title: Strengthening women's capacity for Governance in the Mining Sector funded by Africa Centre for Energy Policy (ACEP).

## ACEP training workshop for women in artisanal mining on Advocacy and policy influencing in Ogun State

We conducted a training for women in artisanal mining in Ogun state to teach them advocacy and policy influencing. The workshop was designed to empower and equip women in the mining industry with essential skills and knowledge to advocate for their rights and influence policies that shape their sector.

Project title: Strengthening women's capacity for Governance in the Mining Sector funded by Africa Centre for Energy Policy (ACEP).
